PRESS RELEASE

Hon'ble Governor Shri P.B.Acharya strongly feels that now is the time to work together for a permanent peace in Nagaland and it is taking shape with the signing of Framework agreement with NSCN-IM and Government of India. Governor feels that under the dynamic leadership of Shri Modiji, it is right time to solve the protracted problem. He appeals to all the political parties, NGOs, Students' Organizations and Civil Society to take a positive transparent step for meeting the different concerned group leaders to interact for a positive dialogue and for a respectable solution, join the ongoing peace talks.

All the political parties in a democracy, NGOs and Civil Organizations have to open up their mind and retrospect what they are doing at this crucial hour to bring all the groups to a negotiating table. Our action should be transparent to win the confidence of the people of Nagaland.

We have to show our capacity and sincerity to convince all the concerned group leaders to have dialogue with Central Government for a permanent solution of Nagaland problem. The Civil Society, Naga Political Groups and NGOs have to express themselves unanimously for a respectful solution.

Let us hope that the ongoing visit of Hon'ble President of Myanmar, Shri U Htin Kyaw will surely help the NSCN(K) group to bring to the table for talks.

I congratulate the Konyak Union (KU) for their sincere appeal and efforts to bring NSCN(K) to Ceasefire agreement with the Central Government.

PRO to Governor
