PRESS RELEASE

I congratulate Indian Army for conducting surgical strikes on the night of 28th September on terrorist launch pads across the Line of Control (LoC) to safeguard our Nation and neutralise Pakistan sponsored terrorists planning to infiltrate into Indian territory.

I congratulate our Hon'ble Prime Minister, Shri Narendra Modiji for his strong and right decision to fight terrorism. India under the dynamic leadership of Shri Modiji is safe.

I salute our brave soldiers for their valour. We are really proud of our Army and the whole nation supports them. Our brave jawans have given a befitting reply to those attacking innocent civilians and our jawans. This surgical attack reaffirms Army's valour and commitment to nation's security.

It is a proof of Indian Army's valour and patriotism. A clear message has been sent to the terrorists by destroying their launch pads across the LoC.

I once again congratulate Indian Army for their brave action.
