

Greetings on Tokhu Emong

Honourable Governor extend his warm greetings to the Lotha Community of Nagaland on the occasion of Tokhu Emong Festival 2016. Tokhu means going out in groups from house to house, taking food and drinks. Emong means the Halt on the appointed time. As the people dressed in their best traditional attire celebrates the festival in brotherhood, forgiveness and oneness let us also thank the Almighty God and pray for good health and prosperity.

As we rejuvenate ourselves after a tremendous hard work on the fields and celebrate this post harvest festival by making merry and rejoicing, may the festival bring peace, unity and communal harmony to the Lotha Community and the Nagas as a whole.
