

Governor Appeals to RMSA Teachers

On learning the non-payment of salaries to the Nagaland teachers employed under the central flagship program Rashtriya Madhyamik Siksha Abhiyan (RMSA) along with arrears for the past six months, Nagaland State Governor P.B Acharya appealed to the Rashtriya Madhyamik Siksha Abhijan (RMSA) unpaid and aggrieved teachers, who are on agitation, to withdraw their strike for the benefits of the students.

The unpaid and aggrieved teachers, under the umbrella of Nagaland RMSA Teachers' Association 2013 (NRMSA)2013, launched their agitation from 21st August 2015 by boycotting classes in their respective schools which greatly affect academic career of the students.

The Governor P.B Acharya urged the teachers to withdraw their strike, as it greatly affects less fortunate and weaker section of the society and it also denied the right to education to the children of the government run school. Moreover, it is also coming to an end of the academic year.

The Governor also directed the state government to address the grievances of the teachers expeditiously by releasing their pending salaries to perform their duties without further delay.
